Warranty Information
PASGO faucet warrants the original purchase (must have prove of purchase)that such product is free from defect in materials or workmanship for as long as the original consumer purchaser owns their home from the date of purchase. This warranty is limited to but not including labor charges incurred in/or damages sustained during installation, repair or replacement, nor incidental or consequential damages. This warranty does not cover items which are received secondary finishing or have been altered or modified after purchase, or for defects raised by physical abuse to or misuse of the product. This warranty gives the original purchaser of a PASGO faucet specific legal rights which may vary from state to state or from province to province. In some states or provinces the exclusion or limitation incidental or consequential damages is not allowed, for those exclusions may not apply to you

Thank you for your purchase
